

Cookie Baking - Hoxton

Cookies keep for 3 days.

Please bake all cookies from FROZEN

Using the Russel Hobbs Mini Oven.

The Oven knobs can be confusing, make sure that the black line on the knob is facing the setting you want.

Preheat the Oven on Air-Fry.

Turn on by the oven by turning the dial to the left 'Always On'

You know when the oven is hot when the elements are no longer glowing.

Bake 3 to 4 cookies at a time.

Middle Shelf – On Greaseproof paper on the solid oven tray.

Set a timer for 10 mins. – DO NOT use the oven timer as it's not reliable.

Check regularly after that. Cookies should be golden brown, not burnt and not pale.

Set aside to cool for 5 mins, then serve. Don't move before that or the cookies will fall apart.
